

The Hazelnut

A City of Tukwila publication for our residential and business communities

MARCH/APRIL 2020

VOLUME 40, NUMBER 2

Tukwila: The City of Opportunity, the Community of Choice

United States Census 2020

*It's going on now...
and it's important
for our community!*

Have you answered the survey yet? It only takes about 10 minutes.

This once-a-decade event is more than just a survey. We pay taxes to the federal government. Census-generated statistics tell the federal government where to allocate that money for supporting the basic building blocks of healthy communities. Education, healthcare, public safety, food and housing programs, emergency services, infrastructure – these all require funding. From Medicaid to school-lunch programs to veterans' assistance, where are these services best placed? The Census numbers tell them!

An accurate Census count is also vital –

- To make sure that our representative government reflects all residents and population shifts, leaving no communities under-served.
- For businesses as they plan their future growth and expansions.
- To philanthropic foundations and non-profits who rely on the Census data for making decisions about where they can do the most good.
- For providing social demographics about communities, to increase knowledge about how our country is changing and to eliminate missed opportunities.

By law, the Census Bureau cannot share your information with other government agencies. Your answers can only be used to produce statistics... and accurate numbers do matter! It is estimated that for Census 2020, approximately \$2,000 in federal funds will be allocated for each person counted – per year, for the next 10 years. An undercount produces lower numbers that could keep Tukwila from receiving its rightful funding needed to best serve this community.

**Take 10 minutes to impact
Tukwila's next 10 years!**

Get counted and affect your future!

We ask all residents to help spread the word. This is everyone's civic duty; regardless of legal status, all persons must be counted.

If you are a trusted messenger in your community, please spread the word. Need further assistance? Contact our Community Engagement Manager at Niesha.Fort-Brooks@TukwilaWA.gov

Coronavirus Pandemic: Stay Home, Stay Healthy

THINGS TO KNOW

Washington State requirements

To help protect the public safety and slow the transmission of coronavirus, Governor Jay Inslee signed a state-wide “Stay at Home Order,” taking effect on March 25. The order – originally set for two weeks – could be extended, and applies within the City of Tukwila. Some things to know about the order:

- Every Washingtonian is required to stay home unless they need to pursue one of a variety of essential activities. More information can be found at: coronavirus.wa.gov
- All gatherings for social, spiritual and recreational purposes are prohibited.
- All businesses – except for essential businesses – must close. See what are essential businesses at: coronavirus.wa.gov/whats-open-and-closed/essential-business

Calling 9-1-1

The Tukwila Police and Fire Departments respond to all life-threatening emergencies. If you feel you have life-threatening coronavirus symptoms (fever, cough or difficulty breathing), don’t be afraid to call **9-1-1**. Our Police and Fire will help you get the care you need.

Be transparent with the 9-1-1 dispatcher about the severity of your symptoms. If your symptoms are minor, continue to consult with your primary care physician.

PERSONAL HEALTH

Social Distancing is the *most important thing* everyone can do to fight the pandemic. We ALL need to work together to slow the spread of coronavirus. Make these your best practices:

- Stay at home and avoid all non-essential contact with others.
- Limit trips for groceries, gas and other essentials.
- If you must go out, stay at least 6 feet away from others at all times.
- Regularly wash your hands with soap and water, for at least 20 seconds. Use hand sanitizer when you cannot wash your hands.
- Create new habits with reminders to avoid touching your face and to cover coughs and sneezes.

BUSINESS IMPACTS

Small Businesses Assistance

The federal Small Business Administration (SBA) is providing up to \$2 million to help with operating expenses. For more information, go to:

DisasterLoan.sba.gov/ela/Information/EIDLLoans

State and Federal Taxes

The Washington State Department of Revenue can provide extensions on taxes or waive penalties, for more information, visit:

dor.wa.gov/about/business-relief-during-covid-19-pandemic

The Internal Revenue Service is allowing more time to file annual taxes. For more information, go to:

IRS.gov/coronavirus

The City recommends that you carefully document the impacts to your business, including financial losses, canceled events, etc. This documentation could be required for any insurance claims or potential future relief programs from government agencies.

If you work, manage, or own a business in the City, email Economic Development at: Business@TukwilaWA.gov

WORKERS

Unemployment

There is special information if your employment has been impacted by COVID-19. To apply:

Go online: ESD.wa.gov/unemployment

Under COVID-19 (coronavirus) update heading, click on: [unemployment application checklist](#)

By phone: **1-800-318-6022**

Find additional resource information:

UWKC.org/news/unemployed-due-to-coronavirus-pandemic-heres-where-to-get-help

Workers’ Compensation

Anyone whose job has brought them into direct contact with someone with coronavirus (first responder or healthcare worker, for example) and has become ill – or is required to quarantine – can file for Workers’ Compensation. For more information, go to:

LNI.wa.gov

Other Resources

The United Way of King County also has information on additional resources available. Visit: UWKC.org

More Resources Available to Assist Tukwila Residents

The City of Tukwila has a regularly-updated web page providing information and links relating to City activities, events and operations. Visit: TukwilaWA.gov/COVID

UTILITIES

Many major utility companies throughout the region have announced programs to help rate payers with utility bills during the pandemic, including suspension of shutoff for non-payment.

City of Tukwila Water/Sewer

Service will not be shut off for non-payment during this time. Call the Finance Department for more information and to make payment arrangements.

Phone: **206-433-1835**

Seattle City Light Discount Program

Effective immediately, all SCL customers can set up deferred payment plans if their financial stability has been jeopardized by COVID-19. Utility service will stay on as their deferred payment plans are developed and implemented. Up to 60% off for income-qualified customers.

Phone: **206-684-0268**

Low-Income Home Energy Assistance Program (LIHEAP)

If your main source of heat is electricity, gas, or heating oil, and you need help paying your utility bill during the winter season, schedule:

Phone: **253-517-2263**

Puget Sound Energy

PSE will not disconnect customers for non-payment during this time. To learn more, call during business hours (Monday–Friday, 7:30AM–6:30PM)

Phone: **1-888-225-5773** Online: PSE.com

Comcast, Verizon, CenturyLink, T-Mobile, Spectrum Mobile, AT&T

All have support for residents impacted by COVID-19. Call your carrier to find out more specific details.

Tukwila Human Services

If you are a TUKWILA RESIDENT, please call for information about low-income emergency rent or utility assistance.

Phone: 206-433-7181 or 206-433-7180

FOOD

Tukwila Pantry

Location: 3118 S. 140th St. Phone: **206-431-8293**

Open days: Tuesday, Thursday and Saturday

Open hours: 12:30 to 2:30PM

12:00 to 12:30PM, for SENIORS ONLY

Senior Lunches

Serves a free meal per day to vulnerable, isolated seniors through Tukwila's Senior Recreation Program. Call Tukwila Community Center for more information.

Phone: **206-768-2822**

DSHS Food Benefits

Interview hours are 8:00AM–3:00PM, Monday–Friday

Extremely high call volumes; you may experience delays.

Phone: **1-877-501-2233**

DOMESTIC VIOLENCE

24-hour Advocacy and Support Line

Phone: **425-656-7867**

RENTALS

With the current State of Emergency declared in Washington due to COVID-19, Governor Inslee has ordered a temporary stop to evictions due to failure to pay rent. The King County Sheriff's Office will not proceed with any King County evictions solely for default on payment of rent. Further, the Tukwila City Council recently passed a resolution calling on a moratorium on residential evictions.

Tenant's Rights

Housing Justice Project – for eviction disputes

Monday–Friday, 8:00AM–12:00PM

Phone: **253-234-4204**, Spanish: **206-267-7090**

Email: HJPstaff@KCBA.org

Tenant's Union

Tenants' Rights Hotline: 206-723-0500

Hours Mon–Wed: 10:00AM–12:30PM and 1:30–4:00PM

Thursday: 10:00AM–12:30PM

Saturday: 11:00AM–3:00PM

City of Tukwila – 206-433-1800

Visit: TukwilaWA.gov/COVID
for more information

Residents may qualify for discounts or rebate

In 2003 the City of Tukwila imposed a Utility Tax and added surcharge to Seattle City Light customers as a contract fee. With Resolution No. 1547, the City established policy to rebate the additional taxes and contract surcharge fees to eligible low-income seniors (age 62 or older) or disabled residents for electric and natural gas utility rebates.

Criteria for eligibility

- ◆ Must be at least 62 years of age or disabled.
- ◆ Disposable income from all sources must not exceed \$46,500 per household.
- ◆ Must be Puget Sound Energy or Seattle City Light customer.

Required information due by September 30, 2020

- ❖ Must complete application and notarized supplemental affidavit at the Finance Department in Tukwila City Hall.
- ❖ Must provide copy of 2019 Income Tax Return.
- ❖ Provide copy of your Puget Sound Energy or Seattle City Light December 2019 billing statement as verification of customer account status.

Payment process

Those applicants determined to be eligible will receive a rebate check from the City based on the actual taxes and surcharges paid for 2019. For more information, please contact Tukwila's Finance Department at 206-433-1835.

Volunteer opportunity to serve on City committee

The City Council is seeking to fill a resident position on the Public Safety Bond Financial Oversight Committee. This committee independently represents taxpayers concerning the City's expenditure of revenues received from the sale of general obligation bonds. They review how the Public Safety Plan bond proceeds are being spent, meeting two to four times per year. You can read more about the committee and find the application to apply at TukwilaWA.gov/boards. Have additional questions? Call Laurel Humphrey at 206-433-8993 or email Laurel.Humphrey@TukwilaWA.gov.

Tukwila adopts temporary eviction moratorium

In accordance with the Governor's statewide suspension of residential evictions, the City Council enacted an eviction moratorium [Resolution 1983] in Tukwila that will last during the coronavirus civil emergency. Economic impacts of this public health crisis may result in difficulty paying household expenses, including rent. The moratorium also extends to fees for late payment. Exceptions exist if a tenant's actions threaten the health or safety of others.

How traffic calming/residential safety measures are addressing pedestrian safety issues

Speeding and other negative traffic conditions on residential streets can create safety hazards and greatly affect neighborhood livability. Tukwila's City Council adopted and funded the Neighborhood Traffic Calming Program (NTCP) for 2019–2020. Accomplishments in 2019 for traffic calming include:

- Four new Rectangular Rapid Flashing Beacon crosswalks
- Two newly-marked crosswalks with signs
- Twelve new radar signs
- One new school zone beacon with school crossing
- Thirteen new LED stop signs
- One 3-way stop to all-way stop conversion
- Four additional speed cushions on 53rd Avenue S
- Adding/upgrading 25 streetlights
- Installation of 54 parking restriction/prohibition signs

The Public Works Street division has also begun deployment of pedestrian crossing safety flags at selected locations throughout the City, as demonstrated here by SAFE-T-REX on Southcenter Blvd at 62nd Avenue South.

Police chief seeks community representatives

Tukwila's Police Department is seeking volunteers to serve as non-law enforcement representatives to an independent investigative team. These community members will be selected by and serve on behalf of the Chief of Police. Tukwila Police is part of the Valley Independent Investigative Team, consisting of investigators from south end law enforcement agencies.

The state's Law Enforcement Training and Community Safety Act requires representatives to serve in the event of officer-involved shootings or other deaths and serious injuries where officers are involved. Enabling community members to assess whether the investigation process is conducted in a trustworthy manner enhances accountability. Want to know more about the duties of the representatives, the selection process and criteria, and the requirements for background check, confidentiality agreements and basic training? Please email Phi Huynh at P.Huynh@TukwilaWA.gov, or call 206-433-1808.

City Council Actions – Highlights from November 2019 – February 2020

- Approved Phase 1 of new combined Public Works Shops facility
- Authorized purchase of updated video security equipment for Tukwila Community Center
- Established regulations for carryout bags at retail stores, including prohibiting single-use plastic bags (*Ord. 2619*)
- Adopted a 2020 Washington State Legislative Agenda (*Res. 1973*)
- Adopted formal performance policy, standards and objectives for Tukwila Fire Department (*Res. 1977*)
- Amended 2019-2020 biennial budget (*Ord. 2621*)
- Expressed gratitude to Dennis Robertson for his service as Councilmember (*Res. 1979*)
- Expressed support for Tukwila School District Propositions 1 & 2 on 02/11/20 Special Election ballot (*Res. 1978*)
- Named park at northeast corner of South 128th Street & 37th Avenue South “Cottonwood Corner” (*Res. 1981*)
- Elected De’Sean Quinn as 2020 Council President
- Established standing committees for 2020 (*Res. 1982*)
- Approved lodging tax funds for a partnership with the Seattle Seawolves

The complete text of all legislative items is available online in the Digital Records Center at TukwilaWA.gov. For additional information about any of these actions, call 206-433-8993.

CONFIRMATIONS

The following community members were confirmed to Boards and Commissions between October 2019 and February 2020. Tukwila thanks these volunteers for service to our community!

Library Advisory Board:

Cynthia Chesak, Marie Parrish, Linda McLeod

Park Commission:

Earnest Young, Sean Albert, Scott Kruize

Arts Commission:

Jaleh Sadravi, Shawn Belyea

Community-Oriented Policing Citizens Advisory Board:

John Lindsay, Jan Bolerjack

Equity and Social Justice Commission:

Kathy Hougardy, Roy Busch, Aaron Draganov

Human Services Advisory Board:

Terra Straight, Katrice Cyphers, Sharon Myklebust

Planning Commission:

Andrea Reay, Dennis Martinez, Heidi Watters, Sharon Mann

SeaTac Airport Stakeholder Advisory Roundtable:

Erica Post, Brandon Miles

Council Corner

2020 Council President*

Meeting challenges to stay healthy and supportive

My fellow community member, let me share that I feel privileged to live in this caring, wonderful community of Tukwila. I am thankful for each of you. In this time of crisis, we will all need to lean on each other. Social media can provide an opportunity to communicate, check in, and make sure no one feels isolated from our greater community.

Our community has been dealing with exceptional challenges in relation to COVID-19. I’m proud of the steps our City, County and State have taken to minimize impacts. I am also profoundly sad for those affected by illness or family loss. My hope is that everyone is taking the necessary steps to protect themselves, their families and the community. More challenges will likely occur. Let’s continue to support one another and reflect on what we have together. This ability to come together in times of challenges allows us to persevere and thrive.

Although our lives have been disrupted in many ways, the fundamental business of the City must still go on. In February we held our annual Council Retreat with a focus on preparing for the 2021–2022 Biennial Budget. The budget is the plan that specifies how City staff will accomplish specific goals and objectives set forth by the Council.

City Council’s biggest responsibility is budget oversight, and our role in the overall process is vital. We provide policy guidance at the beginning of the process, then confirm through ongoing monitoring that the budget meets that policy direction.

Our retreat meeting was very productive, providing us the opportunity to review roles and responsibilities. Following discussion about best budgetary practices and state legal requirements, we reviewed how we budget in the City of Tukwila. These principles include fund types, revenues and expenditures, financial policies, and historical data. Additionally, every two years the City updates a six-year forecast of revenues and costs, allowing us to better plan for Tukwila’s future.

The public also has a role: to provide input during the building of the budget and then to observe and report on the results, verifiable in the execution of our City services. The work of building the budget has already begun and will continue to unfold over the coming months. I encourage you to stay informed and involved.

CONSTRUCTION PROJECTS

53rd Avenue South residential street improvement

Work continues on this project that extends from Interurban Avenue South to South 144th Street. It included sidewalks, illumination, a new storm drainage system, water and sewer upgrades, and undergrounding of overhead utilities.

Seattle City Light (SCL) has finished undergrounding the power main and service connection works. SCL is currently removing their overhead wires, and Comcast is scheduled to finish doing the same. Following removal of the utility poles from the project site by CenturyLink, the construction contractor can complete the remainder of the road project. Physical completion of this construction project is projected for May 2020.

Contact: Senior Program Manager Peter Lau
at 206-431-2454, or Peter.Lau@TukwilaWA.gov

2019 Small Drainage Projects

This annual program saw completion of several surface water improvements at various locations throughout the city. Funded by residential surface water fees, each year's drainage improvements are prioritized by urgency of the repair and availability of funds. Generally smaller in scope, these projects are bundled into one contract that renders them more economical through competitive pricing.

Among the work completed in last year's contract was the repair and/or installation of several pipe liner sections to extend the useful life of some of our older drainage pipes. The liners are resin-saturated felt sleeves – matching the pipe's diameter

Green the Green

Following 2019's invasive species control, this public-private collaboration to restore the Green River shoreline started 2020 with mass plantings.

The City's contractor installed more than 3,000 plants at the NC Machinery site and more than 2,500 plants at the Southcenter Plaza site. Plant species include a variety of evergreen and deciduous trees and shrubs, all native to the Pacific Northwest. Next: we watch them grow, continuing to monitor invasive species regrowth and plant survival.

Contact: Habitat Project Manager Mike Perfetti
at 206-433-7192, or Mike.Perfetti@TukwilaWA.gov

- which are blown in and steam-cured in place. Once cured, the liner becomes the structural equivalent of the host pipe with no internal joints. Its smoother interior surface actually improves flow through the pipe. Once lined, these pipes are expected to provide 20 to 50 years of additional useful life – with limited maintenance.

Another 2019 project was access improvements along Gilliam Creek near the Boulevard Apartments on Southcenter Boulevard. These access structures will allow maintenance crews to safely clear debris from regional storm drain structures during heavy rains. This will reduce future risk of a blockage, causing further damage to Gilliam Creek or nearby properties.

PROJECT DESIGN

Boeing Access Road (BAR) over Airport Way Bridge

This is the only remaining structure on the BAR corridor that has not been seismically upgraded. Design has been completed, and construction of the seismic retrofit is currently being advertised. There will be multiple stages and traffic revisions on both BAR and on Airport Way during the construction. The plan is for the bridge to be restricted to one lane in each direction during the work on the topside. A minimal lane shift on Airport Way is anticipated when working under the bridge. The City received 100% funding for the construction from the Federal Bridge Replacement Advisory Council.

Contact: Project Manager Adam Cox at 206-431-2446,
or Adam.Cox@TukwilaWA.gov

Sewer Lift Station No. 4

The City is in the process of finalizing the design of the electrical upgrades for this lift station. Outdated electrical components there occasionally fail, creating stress and a hazardous environment for the City's maintenance crew and anyone else involved. The upgrade will enhance both the safety and the efficiency of the system. The construction phase is projected to commence in early summer 2020.

Contact: Project Manager Adib Altallal at 206-433-0179,
or Adib.Altallal@TukwilaWA.gov

53rd Avenue South lane changes

Multiple requests for safer pedestrian access to the Interurban Metro Park and Ride brought about a recently completed design study. As a result, several street revisions will be made to improve traffic circulation and pedestrian safety.

53rd Avenue South (between 52nd Ave S-S 137th St) will be changed from a two-way street to a one-way northbound (downhill) street. The improvements will feature a bicycle lane and a designated buffered pedestrian walkway. 52nd Place will be one-way southbound (uphill). 52nd Avenue South and South 137th Street will remain bidirectional. This change is anticipated to be made sometime over the summer.

Contact: Traffic Engineering Project Manager Scott Bates at 206-433-0179, or Scott.Bates@TukwilaWA.gov

Stormwater Quality Retrofit Project

Stormwater runoff from roadways is a significant contributor to water quality degradation and hazardous to salmon habitat. The runoff brings copper, zinc, crumb rubber and petroleum from automobiles into creeks and rivers. The City and its consultant evaluated several public outfalls that discharge roadway runoff directly into the Green/Duwamish River. The four selected sites are at the intersection of Tukwila International Boulevard & SR 599, East Marginal Way at the outfall on the north side of the river, at Fort Dent Way, and on Interurban & South 58th Street.

Contact: Habitat Project Manager Mike Perfetti at 206-433-7192,
or Mike.Perfetti@TukwilaWA.gov

National Pollutant Discharge Elimination System (NPDES) Update

Storage of solid and food wastes... AKA garbage

Leaking garbage cans, waste containers without lids, scrap piles, and junk vehicles and equipment can cause polluted runoff from your property to drain to surface and groundwater. Accumulated garbage can attract rodents, rats, mosquitoes and other pests that are also health hazards. Tukwila requires residents to follow these best practices:

- ▶ Do not let garbage accumulate.
- ▶ Keep garbage, recyclables, and food wastes in covered or lidded containers.
- ▶ Dispose of waste, using a curbside pick-up service or taking it to a solid waste transfer station.
- ▶ Recycle as much as possible.

The King County Solid Waste Division website is a great source of specific information regarding disposal, including:

- Materials exchange
- Pet waste
- Residential hazardous waste
- Yard waste collection
- Composting kitchen and yard waste

To find this information and more, please go to **KingCounty.gov/SolidWaste/** and click on the "What do I do with...?" link

For more information or assistance, please contact NPDES Coordinator Greg Villanueva, at 206-431-2442 or email Greg.Villanueva@TukwilaWA.gov.

Mayor's Message

In recent weeks the City of Tukwila has been very engaged responding to the coronavirus pandemic during these truly unprecedented times. We're deeply involved and well-connected to the regional response, as well as the statewide and federal levels of pandemic-related efforts.

City services have been greatly altered to ensure necessary social distancing, the best collective practice for slowing the transmission of the virus. City facilities are currently closed, with staff providing services to our residents from home when possible. The Community Center is closed, as well as our picnic shelters and playgrounds. We know it's a hardship for some families, but we're adhering to best practices for keeping our community healthy. Our Police and Fire Departments are operating at normal levels; community members shouldn't hesitate to call 911 if there's an issue. During this time, the City is not shutting off utilities, nor charging late fees. Similar to the Governor's moratorium order, Tukwila's City Council also recently passed a resolution calling on a moratorium on rental evictions.

City staff has been working with the Tukwila School District, assisting in continuing the District's weekly feeding program

for students. Additionally, staff is working directly with many seniors in our community to ensure basic needs are met. We have been communicating directly with houses of worship and businesses throughout Tukwila as well. The response to the pandemic continues to move rapidly, with additional developments coming nearly on a daily basis. We've assembled a list – included inside this Hazelnut edition – of many resources available to residents, employees and businesses. See more resources and direct links online at TukwilaWA.gov/COVID.

We recognize the toll this is taking on our community members. Concerns for the family's health, personal finances, long-term educational issues, basic needs being met – these are priority matters to many. The City is working to be a partner with the community wherever possible, supporting our residents and businesses. As we do our part responding to this global pandemic, we ask that you please do yours. Continue to stay home, leaving only for medical reasons, groceries or critical work.

We are all in this together.

Allan Ekberg
Mayor, City of Tukwila
